Pricing Structure — May 2026

5 Tiers · Payment Options · Individual Services · One-Time Builds

## PART 1 — Tier Overview

Five monthly packages for every stage of a business. Each tier includes everything from the tier below, plus more. See Part 3 for the full breakdown of what each tier includes.

| Tier       | Monthly Price | USD ~    | Commitment     | Who It's For                                         |
|------------|---------------|----------|----------------|------------------------------------------------------|
| LAUNCH     | AED 1,200     | ~\$327   | Month-to-month | Young entrepreneurs, first ecom stores, dropshippers |
| SPARK      | AED 3,000     | ~\$817   | Month-to-month | Businesses just starting or testing marketing        |
| FOUNDATION | AED 6,000     | ~\$1,635 | 3 months min.  | Growing businesses wanting consistency               |
| GROWTH     | AED 14,000    | ~\$3,815 | 6 months min.  | Established businesses scaling fast                  |
| SCALE      | AED 32,000    | ~\$8,715 | 12 months min. | Full outsourced AI marketing department              |

*Sales notes: Launch at AED 1,200 = AED 40/day — perfect for a first store. Spark at AED 3,000 = AED 100/day — less than a business lunch in Dubai. Foundation at AED 6,000 vs. hiring a social media manager at AED 8,000–12,000/mo salary — client saves money and gets more.*

■ **Scale is not sold until Month 3 minimum. SOPs must be locked before onboarding Scale clients.**

## PART 2 — How Clients Can Pay

### Option 1 — Monthly (Standard)

Client pays the standard monthly price every month. No contract beyond minimum commitment. Most flexible — easiest yes.

### Option 2 — Installment Plan (+5% surcharge)

Client commits to a fixed period (3, 6, 9, or 12 months) and pays equal monthly installments. Total is 5% more than the standard rate — the flexibility fee. Nova Agency guarantees delivery for the full period.

### Option 3 — Annual Prepay (10% discount)

Client pays 12 months upfront in a single payment and receives 10% off the total. Best value for clients who are committed. Best cash flow for Nova Agency.

### Option 4 — One-Time / Lifetime (Builds only)

For one-time builds (websites, apps, chatbots, Shopify stores, etc.). Client pays once. They own the deliverable forever. Optional monthly maintenance retainer available after delivery.

**Installment Plan — Monthly Amount Per Tier (5% added to total)**

| Plan                        | LAUNCH                              | SPARK                               | FOUNDATION                          | GROWTH                               | SCALE                                |

Annual prepay example: Foundation client pays AED 64,800 upfront instead of AED 72,000 over 12 months. They save AED 7,200. Nova Agency gets 12 months of cash upfront. Win-win.
